EDUCATION

- Panimalar Institute of Technology** Chennai, India
Bachelor of Technology - Artificial Intelligence & Data Science; GPA: 8.03 July 2020 - Mar 2024
Courses: Operating Systems, Data Structures, Artificial Intelligence, Machine Learning, Deep Learning, Networking, Computer Vision

SKILLS SUMMARY

- Languages** Python, Java, TypeScript
- Frameworks** PyTorch, FastAPI, Keras, Flask, huggingface transformers, ReactJS, Android Studio
- Tools** PostgreSQL, MongoDB, GIT, SQLite
- Platforms** Linux, Web, Windows, Docker
- Soft Skills** Leadership, Writing, Public Speaking

EXPERIENCE

- Zenanvibe** Thoothukudi, India
Product Engineer - AI Dec 2024 - Present

PROJECTS

- modeler | A framework for training Large Language Models**
 - Implementation of a Auto-Regressive Language model and scripts to Pre-Train, Fine-Tune, Performance Efficient Fine-Tuning, Inference for Large Language Models.
 - Tech:** Python, PyTorch, torchtune, torchao, HuggingFace Transformers (September '24)
- Neural Chef | A MultiModal Cooking Assistant**
 - A full-stack application that uses Computer Vision and Large Language Models to analyze food images, recommend recipes, and provide cooking instructions.
 - Tech:** Python, Flask, LLMs, Websockets, Computer Vision (September '23)
- FarmHub | Diagnose Plant Diseases with ChatBot**
 - A Chatbot that can detect and identify around 155 plants and their diseases and make recommendations on how to treat them.
 - Tech:** Python, PyTorch, Flask, Language Models, Computer Vision, WebSockets, HTTP Endpoints (September '23)
- Assistant | A Discord Bot**
 - A bot that can make conversation, play songs, and play simple games with other people on Discord.
 - Tech:** Python, Asynchronous Paradigm, Azure, Language Models (March '21)
- Palm-Control | Hand Interface Device**
 - A Python App with GUI that uses Google's MediaPipe HandLandmark Model for hand and mouse control, a GestureNet to classify 13 different hand gestures in 3D, and a Whisper Speech Rec model for keyboard inputs.
 - Tech:** Python, MediaPipe, PyTorch, ONNX, Tkinter (February '24)

HACKATHONS

- Bootstrap Paradox 2023 - Conducted by SIMATS Engineering, Chennai
- Datathon 2023 - Conducted by Vellore Institute of Technology, Chennai
- PEC Hacks 2024 - Conducted by Panimalar Engineering College, Chennai
